D.O. No. P.16012/23/2019-TC

10th February, 2023

Dear Colleague,

The Government of India has prohibited electronic cigarettes and like devices vide Prohibition of Electronic Cigarettes (Production, Manufacture, Import, Export, Transport, Sale, Distribution, Storage and Advertisement) Act, 2019. As per the provisions of the Act, "Authorized Officers" have been made responsible for implementation of the provisions of the Act in accordance with the Code of Criminal Procedure, 1973. [copy of the Act is enclosed for reference]

2. From time to time, this Ministry has been requesting the States and Union Territories for effective enforcement of the statutory provisions of the Act. It has been brought to our notice that these devices are still available through online stores and local vendors, which is a matter of grave concern. Instances of such devices being sold at convenient/stationary stores near educational institutions have also been reported, which is resulting in easy access by young children to such products. The increasing availability of such prohibited products calls for serious attention and action to ensure effective enforcement of the Prohibition of Electronic Cigarettes Act 2019.

3. I therefore request you to review the compliance status of the provisions of The Electronic Cigarettes (Production, Manufacture, Import, Export, Transport, Sale, Distribution, Storage and Advertisement) Act, 2019 and issue necessary instructions for effective implementation of the provisions of the Act. Special drives through random checking at school and college levels may be carried out to ensure that such products are not sold & used.

I look forward to your support in ensuring effective implementation of the said Act.

Warm Regards.

Yours sincerely,

(Rajesh Bhushan)
